After a difficult and challenging couple of years the Butlin's Conferences & Events team is so pleased to be heading back to The BNC Show. We are extremely excited to see some familiar faces and reconnect with all our agency partners and valued corporate guests. The BNC Show stands out in the calendar for me as we get to spend quality time engaging with industry professionals and talking about our unforgettable experiences. We are delighted to be back showcasing everything Butlin's has to offer.

Dan Elliott, National Sales Manager,

Hi, I'm Christie - Exhibition and Registrations Manager at The BNC Show. It's wonderful to have you with us today! We're a friendly, family-run team and we're here to make your day as enjoyable and as successful as possible. Please come and see me if you have any questions or if you need help of any kind. We're here to have a great day and to make this BNC Back at the Brewery Show a memorable one!

“

We are delighted and excited to have so many wonderful clients buzzing around our venue at The BNC Show. We can't wait to catch up with everyone!

There's definitely lots of new things happening at The Brewery. We reopened on 14th August 2021 with a flurry of beautiful weddings, making the most out of the courtyard. As a longstanding client we were hugely excited for our first corporate event, the British LGBT Awards, on 27th August.

We are always on the lookout for new opportunities and different ways of doing things, with our high quality offering and service always at the heart of what we do!

Faye Loader, Head of Business Development & Marketing, The Brewery

# ENJOY THE SHOW

## Feel Safe, Feel Comfortable

Our BNC Show this spring has been designed a little differently. Normally we like 'a networking atmosphere' with stands close together, aisles loaded with happy event professionals all chatting and enjoying themselves. Due to the current need to have more social distancing you'll notice that our show has a more spacious design and there's more areas for you to wonder in and/or sit down and take a moment. If at any time you have any issues or concerns please reach out to one of our Team BNC and we will do our utmost to assist you.

## The BNC Grand Prize Draw

Prizes, Prizes, Prizes!! It's been a long two years – so why not enjoy some spoils within this sensational industry?!!! It's time to get out there and enjoy afternoon teas, hotel stays and a spot of bubbly! Every BNC Show guest is AUTOMATICALLY entered into The BNC Grand Prize Draw! Winners will be notified by email in the week after The Show. GOOD LUCK!

## The After Show Show

This year we have an After Show Show! Thanks to Events R Talented there is a live talent show just for your viewing in the Queen Charlotte Room. Tickets are £5 each and every penny raised goes to Meeting Needs, the excellent events industry charity for children. And who is taking part in Events R Talented? Famous faces from both sides of the industry go and check out who it is! – and experience their surprising talents.

## A Gift for You

Pre-registered guests, don't forget to check-out with our lovely Team BNC today and collect the thank you gift that you selected in advance. We have giftcards and Stoneglow items ready for you. Thank you to those who have donated theirs to charity.

## What's New

What's New? What isn't, more like! It's been a long two years since we've gathered these top suppliers together in front of you – our experienced and highly vetted audience of senior event professionals - and there is SO MUCH to tell you! Visit every one of our 101 stands and discover what offers and adventures await.

## Seminars

Leading voices from within the events industry sit on a series of fascinating discussion panels to educate and inspire. Everything from contract negotiation through to tech will be covered so grab your seats early in the Queen Charlotte Room and get ready to jot down some unmissable takeaways.

## Food, Glorious Food!

It's so good to be back at The Brewery enjoying their award-winning in-house catering. Everything from breakfasts to light bites will be served today – and teas and coffees are on tap – so as our guests for the day, please enjoy.

## What's new in 22

Working from home had its perks but we missed out on so much – mostly on experiencing 'What's New?!' Here at The BNC we have a compact Catch up just for you. Find out about everything you've missed and soak up the news on: venues, event spaces, fun activities, experiences, audience engagement, wellbeing, sustainability and more in one session. We'll cover it all in this session and take a look at the future of events, discussing what's on the horizon for this exciting industry.

**13:15PM**

**PANEL**

## Wellbeing: Taking Care of You, Your team and Your Events

We are making a promise to practise what we preach in this session, checking in with ourselves FIRST beginning with a box breathing exercise. Our panel of event and wellbeing experts will share ideas to keep you grounded and protect what matters most. We'll discuss work-life balance; mental health management; the juxtaposition of being anxious and well organised and how to go through and grow through things that challenge you. We'll close the session with mindfulness practice: FOFBOC – stop and breathe!

**10:15AM**

## Getting Your Guests Back-to-Live Ready

Come and gather peer-to-peer support from a panel of event managers who have created winning methods to get guests signing up and back to live events. Creative tips and tricks of the trade to return safely and successfully to your full in-person events calendar.

**14:15PM**

**PANEL**

## Sustainability in Events: Putting Theory Into Action

(This will one will be a real 'knowledge-fest' so get your seat early.) Learn from our panel of experts how to build a sustainable event from the get-go. How to choose the best venues and suppliers and what to ask for from them; sustainability on a budget and how to be creative yet sustainable – and what the full meaning of sustainability means (not just carbon emissions).

**11:15AM**

## Hybrid Events in the new normal: learnings for the post-pandemic world

According to McKinsey, during the initial onset of the pandemic businesses and consumers alike experienced five years of digital adoption in the equivalent of just eight weeks' time. Re-inventing event execution led to important learnings - and a better understanding of how to reach an audience. Hybrid is the new normal and it's important to build it into your strategy. Join our panel of experts who will help you better understand how to create and effectively execute hybrid events. They'll share valuable learnings and insights plus provide practical tips and tricks to help you navigate this new and valuable asset.

## Soft Skills to Help Your Career Hit the Big Time

What's it like to be an event manager today? How do you develop yourself professionally when CPD only goes up to a certain level? How can you be successful without burning yourself out? All these career growth questions and more will be discussed by a diverse group of event professionals who have taken self-investment very seriously - and have tried and tested tips and practical methods to pass on to help you either promote your own brand or get that promotion.

**12:15PM**

## The return to in-person: don't forget what you know, remember what you learned

As we come back to the "real world" and consider our return to in-person events, its easy to forget that during the pandemic we learned an incredible amount about how to execute events in a more effective and efficient manner, how to create incredibly compelling content that would resonate from a video chat screen and how to scale messages to a broader audience in new ways. Join us to talk about the return to in-person and how to find that balance between remembering all the impactful ways to drive results "in the room" whilst not forgetting some of the critical learnings of the past 2 years.

### **Carbon Consultancy | 200 & 201**

Conference Care has been Carbon Neutral since 2010 and believe that some of the best practices we have learnt along the way can be put into use by sharing with our customers and creating a more sustainably focused events industry, which is why we have developed Carbon Consultancy by Conference Care.

Using our own calculator, verified by Carbon Footprint we are able to measure the carbon footprint of a planned individual event (or event programme). We will then work with you to make suggestions aiming to reduce the impact of the event. Once the event has taken place, we will re-calculate based on final details and assess the impact of these changes on your final results. Finally, we are able to offset these emissions, with our portfolio of Offset projects all of which are Verified Carbon Standard.
